# TOILETRY COLLECTION

---

*A free and easy way to make  
a difference for those in need!*

The CT REALTORS® Foundation Trustees are asking members to get involved in making a difference for the homeless this year.

With any upcoming travel plans you may have, please plan to **collect your hotel toiletries and drop them off at your Local Board/Association**. If you're attending the NAR Convention in Boston, collect them there too. The CT REALTORS® Foundation will then distribute them to various shelters and organizations across the State.

Watch for more information/news about homelessness and how as REALTORS® we can make a difference for a cause that speaks directly to the heart of what being a REALTOR® is all about!

If you have any questions or need further info on this initiative, contact Beth Mecteau at [beth@ctrealtors.com](mailto:beth@ctrealtors.com).
